France

Dear Professor Kastler,

Excuse me that I trouble you once more with the problem of Dr. Jadczyk. I am glad to inform you - en passant - that few weeks ago Mr. Jadczyk got his ph.d. degree summa cum laude. It is already a pretty long time ago we got your kind and warm letter concerning the visit of Dr. Jadczyk at your Institute. It takes a very long time to arrange things in Poland after one gets an official invitation from abroad. Therefore we are ~~anxious~~ anxious to learn from you in what stage things are at present to make tentative plans for Dr. Jadczyk for the future. We would very much appreciate to hear from you at your convenience. Thank you very much in advance.

Looking forward to hearing from you

Yours sincerely,

Jan Lopuszański
